Hands in the Dirt Discounts & Scholarships

Land to Hand will never turn away a family because of ability to pay. We partner with donors and local organizations to offer scholarships and discounts for families who need them.

There are guaranteed discounts for parents/guardians who work in CFSD6 and for families who use their school's Backpack Assistance/Weekend Backpack program, our Food Rx program, or SNAP/WIC/TANF. We do not require any proof of income or benefits. ANYONE can request a discount/scholarship and we do our best to accommodate all families. We offer ONE (1) full scholarship per family, but you can request more. [Find clickable links at our Summer Camp page at landtohandmt.org.](http://landtohandmt.org)
