Montana Double SNAP Dollars
A Win for Farmers, Families, & Local Economies!

Why Participate?

The match adds up!
 If you attend once a week from May through July, you could get **\$400 in FREE Double SNAP Dollar coins** to spend on fresh produce.

Locally grown produce is better tasting & healthier!

Not only does the produce come from down the road, it is picked at the height of its ripeness for a better taste and more nutrition.
